Energy-related initiatives of Archives Portal Europe

Energy Crises

50 years after the 1973 oil shock, an overview of how energy archives can help to understand this and other energy shocks

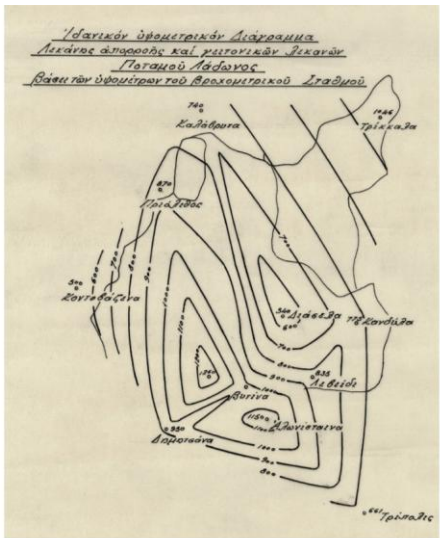

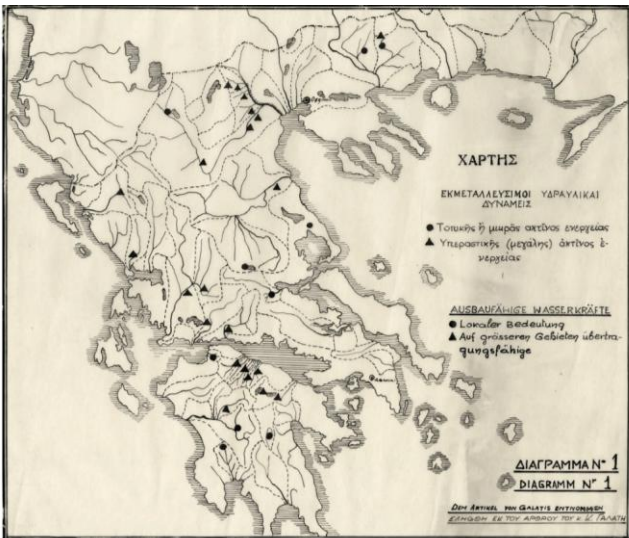

📅 04-12-2023

🏠 > News & Events > Blog > And the winner is...

And the winner is...

📅 12-04-2024

We are very happy to announce that the winner of our **2024 DIGITISATION GRANT**, which aims at promoting the digitisation of archival metadata for ingestion in APE, is the **Historical Archive of National Bank of Greece (HA/NBG)**, with the project **"An initiative for clean energy by the National Bank of Greece in the 1st half of the 20th century: The case of the White Anthrax Archive"**.

Thank you
for your attention !
